

Gratitude to Our 2023-24 Supporters and Funders!

We wish to thank all those who provided funding to the MRWCC this fiscal year to assist the great work that the Council does to support watershed planning, monitoring, and stewardship within our community. We have accomplished a lot with these donations. Without your support much of this accomplishment would not be possible.

Alberta Environment and Protected Areas (AEPA) - \$320,000

Alberta Environment and Parks has been the main funder for the Council since its inception in 2006.

Environment and Climate Change Canada (ECCC) - \$40,000

This project was undertaken with the financial support of:

Ce projet a été réalisé avec l'appui financier de :

Environment and
Climate Change Canada

Environnement et
Changement climatique Canada

Producers leading the way Phase 2: a Two-year grant to help address gaps to increase native grassland conservation and species at risk stewardship within the Milk River Watershed

Fisheries and Oceans Canada (DFO) - \$74,500

Fisheries and Oceans
Canada

Pêches et Océans
Canada

This is a 3-year grant funding provided in part by Fisheries and Oceans Canada (DFO) through the Canada Nature Fund for Aquatic Species at Risk (CNFASAR). This project aims to improve riparian and in-stream habitat for at-risk fish species in the Milk River watershed. This will be accomplished by supporting local landowners in implementing Beneficial Management Practices (BMPs).

Other Individual/Corporate Sponsors

In addition, we wish to thank Board members, Team members and all volunteers who give their time and resources generously to the cause of the MRWCC. In 2023-24 we received over \$200,000 in in-kind contributions.

Thanks to the individual and corporate donations that we have received. These donations are essential to leveraging project funding from other funders.

Thank you to the 2024 Silent Auction Sponsors
